- Ensure viability by providing a stable and ongoing source of dependable income.
- Enable JFS to respond to changing social and economic demands that challenge our community by creating new and innovative programs.
- Create emergency reserve funds that will supplement JFS annual giving funds.
- Ensure that community members in need and crisis will always have JFS as a resource to turn to within the Jewish community.

## Case Statement

### Jewish Family Services of Greater Charlotte

For over 30 years, Jewish Family Services of Greater Charlotte (JFS) has cared for members of our community and worked to make a difference in their lives. As the heart of the Jewish community, JFS strengthens and empowers individuals and families through counseling, social services, outreach and educational programs, all inspired by Jewish values. Our team of licensed therapists and professionals provide vital support to everyone from children and their parents to the elderly and families in crisis.

As a dependable resource for community members facing economic or personal challenges, JFS collaborates with every Jewish agency in our community. Our services are essential for the families and individuals who contact us in a time of need, whether it is for a stressful family situation, psychological difficulty or a financial crisis. We help strengthen families with counseling, enable community members to remain in their homes with emergency loan assistance and make certain our senior adults are cared for and stay connected to the Jewish community. When members of our community are in need, they find comfort in having a resource to turn to that is located within the Jewish community.

JFS provides:

- Therapy, Counseling and Support Groups for individuals, couples and families
- Senior Outreach Services providing visits, Jewish programming and geriatric care management
- Parenting Place for Children and Adolescents helping children and their parents with therapy and support groups by serving as a resource for the Jewish schools and institutions in our community
- Food Pantry, Tzedakah and Emergency Assistance for Jewish individuals, families and senior adults
- Case Management Services offering advocacy, referrals and outreach for individuals, families and senior adults
